## Executive Hire Cover

Executive Hire cover from South Essex Insurance Brokers provides executive private hire drivers and operators with a complete service for all your insurance needs.

SEIB have been specialising in innovative insurance solutions for over 30 years and we believe we are now the leading and largest independent broker in the UK for executive private hire.

As an operator of executive cars you know that your customers are willing to pay for that extra element of comfort and style, however, we don't believe you should pay extra for your insurance because of the calibre of car you drive. We know from experience that you take extra care of your vehicles, so we are able to reduce premiums.

Whether you operate executive cars exclusively or some as part of a fleet, Executive Hire cover from SEIB is the solution for you
