### Welcome to AXA

Thank you for choosing AXA. Please read carefully all documents that we have provided and keep them in a safe place.

If you have any questions, need anything explaining or believe this contract does not meet your needs, please contact us or your insurance adviser.

### Your policy

Your policy is divided into a number of sections. The sections of cover that apply in addition to the General introduction section are shown under your cover summary which is in the schedule. Your cover summary contains a list of sections available, but only those shown as 'insured' apply. Where a section does not apply, your cover summary will state that it is 'not insured' and this section will not be included within the policy.

Your policy is a contract of insurance between you and us and you have a duty to make a fair presentation of the risk to us in accordance with the law.

The **policy** describes the cover for which **we** have accepted **your** premium. The **policy** wording, schedule and any endorsements must be read together.

Your policy is renewable provided we agree to accept your premium for any subsequent period of insurance. A new schedule will be issued for each period of insurance showing any changes to your cover.

Throughout your policy, we use defined terms. Defined terms are used to explain what a word means and are highlighted in bold blue print.

Headings have been used for your guidance to help you understand the cover provided.
The headings do not form part of the contract.

Under the heading 'What is covered' we give information on the insurance provided. This must be read with 'What is not covered', the Policy conditions and any conditions of cover that are applied to each section.

Under the heading 'What is not covered' we draw your attention to what is excluded from your policy.

### Making a claim

If you need to make a claim please first check your policy to make sure you are covered.
You must then follow the Claims notification condition and Claims procedures condition of pages 6 and 7 of this section, headed Policy conditions.

Please contact **your** insurance adviser who will help **us** deal with **your** claim.

### Making a complaint

If you are not happy with the way a claim or any other matter has been dealt with, please read 'Making a complaint' on page 26 of this policy.

### Meanings of defined terms

These meanings apply throughout your policy. If a word or phrase has a defined meaning it will be highlighted in bold blue print and will have the same meaning wherever it is used. There may be additional defined meanings in each section.

### **Policy conditions**

You must comply with the following conditions to have the full protection of your policy. If you do not comply then we may at our option take one or more of the following actions

- Cancel your policy.
- Declare your policy void (treating your policy as if it had never existed).
- 3 Change the terms of your policy.
- 4 Refuse to deal with all or part of any claim or reduce the amount of any claim payments.

### Applicable law condition

You and we can choose the law which applies to this policy. We propose that the Law of England and Wales apply. Unless we and you agree otherwise, the Law of England and Wales will apply to this policy.

### Cancellation condition

- You may cancel your policy within 14 days of receiving your policy in the first period of insurance if for any reason you are dissatisfied or the policy does not meet your requirements.
- You may cancel your policy at any time if the business is sold by you or you cease trading or you sell all the property insured shown in your schedule.
- 3 We can cancel your policy
  - a at any time by giving 30 days' written notice to your last known address
  - b immediately, without giving you notice, if the premium has not been paid to us.

Where your policy is cancelled in accordance with any of the above provisions, we will refund part of the premium paid, proportionate to the unexpired period of insurance following cancellation, provided that no claim has been paid or is outstanding in the current period of insurance.

Cancellation of your policy will not affect any claims or rights you or we may have before the date of cancellation.

We do not have to offer renewal of your policy and cover will cease on the expiry date.

### Change in risk condition

You must tell us as soon as possible during the period of insurance of any change

- 1 to the business
- 2 in the person, firm, company or organisation shown in your schedule as the insured
- 3 to the information you provided to us previously or any new information that increases the risk of loss as insured under any section of your policy.

Your policy will come to an end from the date of the change unless we agree in writing to accept an alteration.

We do not have to accept any request to vary your policy. If you wish to make any alteration to your policy you must disclose any change to the information you previously provided or any new information that could affect this insurance. If we accept any variation to your policy, an increase in the premium or different terms or conditions of cover may be required by us.

### Claims notification condition

### You must

- as soon as practical
  - a give us notice of any circumstances which might lead to a claim under your policy
  - b give us all the information we request.
- 2 immediately
  - on receipt send us every letter, court order, summons or other legal document served upon you
  - b tell us about any prosecution, inquest or fatal accident inquiry or dispute for referral to adjudication or court proceedings in connection with any potential claim under your policy
  - notify the police of any loss or damage that has been caused by malicious persons, thieves, rioters, strikers or vandals.

We will not pay your claim where you have not complied with this condition.

### Claims procedures condition

- You must take or allow others to take practical steps to prevent further injury, loss or damage, recover property lost and otherwise minimise the claim.
- 2 At your expense you must provide us with
  - a full details in writing of any injury, loss or damage and any further information or declaration we may reasonably require
  - b any assistance to enable us to settle or defend a claim
  - details of any other relevant insurances.
- 3 You may not accept, negotiate, pay, settle, admit or repudiate any claim without our written consent.
- 4 Following a claim you must allow us or anyone authorised by us
  - a access to premises
  - b to take possession of, or request delivery to us of any property insured.
- 5 You may not abandon any property to us.
- 6 We will be allowed complete control of any proceedings and settlement of the claim.

We will not pay your claim where you have not complied with this condition.

### Fair presentation of risk condition

You have a duty to make a fair presentation of the risk which you wish to insure. This applies prior to the start of your policy, if any variation is required during the period of insurance and prior to each renewal. If you do not comply with this condition then

- if the failure to make a fair presentation of the risk is deliberate or reckless we can elect to make your policy void and keep the premium. This means treating the policy as if it had not existed and that we will not return your premiums, or
- 2 if the failure to make a fair presentation of the risk is not deliberate or reckless and we would not have provided cover had you made a fair presentation, then we can elect to make your policy void and return your premium, or

- 3 if the failure to make a fair presentation of the risk is not deliberate or reckless and we would have issued cover on different terms had you made a fair presentation of the risk then we can:
  - a reduce proportionately any amount paid or payable in respect of a claim under your policy using the following formula. We will divide the premium actually charged by the premium which we would have charged had you made a fair presentation and calculate this as a percentage. The same percentage figure will be applied to the full amount of the claim to arrive at the proportion of the claim to be paid or payable; and/or
  - b treat your policy as if it had included the different terms (other than payment of the premium) that we would have imposed had you made a fair presentation.
- 4 Where we elect to apply one of the above then
  - a if we elect to make your policy void, this will be from the start of the policy, or the date of variation or from the date of renewal
  - b we will apply the formula calculated by reference to the premium that would have been charged to claims from the start of the policy, or the date of variation or from the date of renewal
  - c we will treat the policy as having different terms imposed from the start of the policy, or the date of variation or from the date of renewal

depending on when the failure to make a fair presentation occurs.

### Fraud condition

You and anyone acting for you must not act in a fraudulent way.

If you or anyone acting for you:

- knowingly makes a fraudulent or exaggerated claim under your policy;
- 2 knowingly makes a false statement in support of a claim (whether or not the claim itself is genuine); or

3 knowingly submit a false or forged document in support of a claim (whether or not the claim itself is genuine),

### we will

- a refuse to pay the claim
- declare the policy void from the date of the fraudulent act without any refund of premiums.

We may also inform the police of the circumstances.

### Instalments condition

If you fail to pay a premium instalment to us on the date due, this will result in your policy being cancelled from the date the missed instalment was due. You will not be entitled to any return of premium where this happens.

If a claim has been made or there has been any incident likely to lead to a claim during the current **period of insurance** the annual premium remains due in full.

### Other insurance condition

If a claim is made under your policy and there is other insurance cover for which you are, or would be but for this policy, entitled to have a claim paid under the other insurance, we will at our option, either pay

- 1 a proportionate share of the claim or
- 2 an amount beyond that which is or would be payable under the other insurance.

### Policy administration fees condition

We may charge you an administration fee if we

- 1 make any changes to your policy on your behalf
- 2 agree to cancel your policy, or
- 3 are requested to print and re-send your policy documents to you.

We will not make a charge without informing you.

### Reasonable care condition

You must take reasonable steps to

- prevent or protect against injury, loss or damage
- 2 keep your premises, machinery, plant and equipment and all other property insured in good condition and in full working order
- 3 remedy any defect or any danger that becomes apparent, as soon as possible.

If required by us, you must allow access to your premises and/or activities of your business to carry out inspection or survey. You must complete any risk improvements that we ask for, within a reasonable period of time advised by us.

We will not pay your claim where you have not complied with this condition.

### Renewal term agreement condition

If your schedule shows that a renewal term agreement is operative, certain terms and conditions have been agreed by you and us that regulate the annual premium at which we will offer renewal. The agreement is included as part of the insurance contract and, if we offer renewal in accordance with the agreement, you agree that your policy will be renewed each year up to the expiry date of the agreement shown in your schedule.

### Sanctions condition

This contract of insurance is subject to sanction, prohibition or restriction under United Nations resolutions. It is a condition of your policy that we will not provide cover, or pay any claim or provide any benefit under your policy to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose us, or our parent, subsidiary or any AXA group member company, to any trade or economic sanctions, or violate any laws or regulations of the United Kingdom, the European Union, the United States of America or any other territory.

### General introduction section continued

### Subrogation (our rights) condition
