General Conditions

The following conditions apply to all sections of this RAC Breakdown Cover. If you do not comply we can refuse cover and/or cancel your RAC Breakdown Cover.

1. You must pay your premium.
2. You must request services directly from us, as we will only provide cover if we make arrangements to help you.
3. Where the breakdown is caused by a component failure this must stop the vehicle from working, so for example an air-conditioning failure in itself does not constitute a breakdown, and the illumination of a warning light does not always constitute a breakdown. If it does not, you will need to take your vehicle to a place of repair and your RAC Breakdown Cover will not cover this.
4. We will not cover any claim where the vehicle is already at a garage or other place of repair.
5. Where we deem, acting reasonably, that you requested service to avoid the cost of repairing the vehicle, or to correct an attempted repair by someone else, we will not provide cover.
6. A driver must be with the vehicle when we attend.
7. You are responsible at all times for the care of your personal belongings, valuables, luggage and goods in or on a vehicle. We will not be responsible for any loss of or damage to them.
8. Where we recover passengers under the age of 16, they must be accompanied by an adult.
9. We will not allow animals in our vehicles, except guide dogs. Any animals can remain in the vehicle at the driver's own risk. We will not be liable for any injury to animals, or damage caused by them. We will not transport any livestock. We will not be responsible for any costs relating to animals, other than the transport costs for horses in your vehicle or trailer.
10. The vehicle must not carry more passengers than the number stated in the vehicle's registration document. Each passenger must have a separate fixed seat fitted to the manufacturer's specification and any child must occupy a properly fitted child seat.
11. Where we provide a repair to the vehicle, whilst we are responsible for that repair, this does not mean that we are confirming the legal and roadworthy condition of the vehicle. This remains your responsibility.
12. We will not be responsible for any losses that may incur following a breakdown that are not expressly covered by this RAC Breakdown Cover. For example, we will not pay for any loss of earnings or missed appointments.
13. We do not guarantee that recovery to any garage will be during opening hours, or that repairs can start immediately. Whilst we will try to check that the garage will undertake the type of repairs required, we cannot guarantee this. We will not take responsibility for repairs carried out at any

garage and the contract for such repairs will be between you and the garage / repairer.

14. During extreme weather, riots, war, civil unrest, industrial disputes, our services can be interrupted. We will resume our service to you as soon as we can in these circumstances.
15. The cost of the following is not covered by this RAC Breakdown Cover:
 - a) specialist equipment;
 - b) ferry charges for the vehicle and our vehicle;
 - c) any additional assistance required for your horses;
 - d) any damage to glass even if the damage means the vehicle cannot be legally or safely driven. We will arrange transport to a local garage so you can arrange to get the vehicle fixed but you will have to pay for this;
 - e) spare tyres and wheels and repairing or sourcing them; or
 - f) recovery by someone other than us even if this is requested by the emergency services. We will only provide recovery once instructed to do so by the emergency services.
16. In handling any claim there may be more than one option available to the driver under this RAC Breakdown Cover. We will decide which is the most appropriate option based on our expertise in breakdown situations. In doing so we will act in consultation with the driver, and act reasonably at all times.
17. The vehicle must be privately owned and not used for any courier services.
18. This RAC Breakdown Cover does not cover:
 - a) routine servicing, maintenance or assembly of the vehicle;
 - b) trailers, except as described under Section A or C;
 - c) the transportation of horses when a valid Horse Passport is not being carried for your horse;
 - d) use of your vehicle for demonstration purposes or carrying trade plates;
 - e) breakdowns resulting from activities that are not subject to the normal rules of the road for example rallies, stock car racing or formal or informal race events;
 - f) breakdowns that occur off the public highway to which the driver or we have no legal access;
 - g) the vehicle if it is not legally taxed, insured and holding a valid MOT which is required by law or is not being used in line with the manufacturer's guidelines;
 - h) vehicles that are not in a roadworthy condition. If we consider, acting reasonably, that the vehicle is not in a legal or roadworthy condition, we can refuse to provide service. If you can demonstrate that the vehicle is roadworthy we will provide service;
 - i) any claim that is or may be affected by the influence of alcohol or drugs;
 - j) any breakdown that is caused by or as a result of vehicle theft or fire; or
 - k) any claim under this RAC Breakdown Cover where the breakdown was first reported to us under a different policy.

19. If the **driver** is asked to review and approve a document recording the condition of the **vehicle**, including an electronic form, it is **their** responsibility to ensure that the record is accurate and complete, and **we** will not be responsible for any errors or omissions.

Additional Benefits

The following are provided at no additional charge:

Service in the Republic of Ireland

If the **vehicle** has **broken down** in the Republic of Ireland, **we** will provide a Roadside attendance service only, as described under Section A (Roadside). If **your home** address is in Northern Ireland and **you** have purchased Section C (Recovery), **we** will recover the **vehicle** to **your home**, or to another destination in Northern Ireland if the distance is less.

Urgent message relay

If the **vehicle** has **broken down** and the **driver** needs to get in touch with friends and family urgently, **we** will get a message to them.

Replacement driver

If the **driver** becomes ill during a journey in the **UK** and no one within the party can drive the **vehicle**, **we** may be able to provide a replacement driver. This service is discretionary, and **we** will decide whether or not to provide this service.

Additional services

We can provide additional services that are not included in **your RAC Breakdown Cover** but **we** will charge **you** for these, for example to:

1. Purchase the parts **you** need to get on **your way**;
2. Pay for **specialist equipment** to complete the repairs;
3. Extend the hire time for a replacement vehicle; or
4. Arrange a second or extended recovery.

If **you** need extra help, **we** will agree the costs up front and will need full payment before **we** can help. If **you** took out the **RAC Breakdown Cover**, **you** will be responsible for any additional charges so if **we** help someone under **your RAC Breakdown Cover** and they cannot pay, **we** will invoice **you**. This is why **we** request proof of identity at the **breakdown**.
