

Co-manufacturer Fair Value Assessment outcome

SEIB – Private Hire Liability Scheme Business Combined Product

Includes AXA Commercial Product Target Market Statement

AXA Commercial has undertaken a Product Review and Fair Value Assessment as the co-manufacturer of this product, in accordance with both our obligations under PROD 4.2 and the co-manufacturer contract with SEIB.

Date of most recent Product Review and Fair Value Assessment	August 2022
Date of next Product Review and Fair Value Assessment to be completed by	Within the next 12 months*

**We continuously monitor our products and apply a risk-based approach to our product governance; the next review and assessment may take place before this date and this document updated accordingly.*

Outcome of the Product Review and Fair Value Assessment

As a result of the product governance activities undertaken across this product we can confirm:

- 1.The product remains consistent with the needs of the identified target market**
- 2.The product remains consistent with the fair value assessment**
- 3.The intended distribution strategy remains appropriate**

Product Description

This is a Liability product tailored to provide cover for customers who operate private hire businesses.

This product is only available through SEIB.

Product Type

This is a Commercial Lines general insurance product which is suitable for business customers only.

Product Status

This product is open to new and renewal business.

Who is the product designed for?

Commercial customers with private hire businesses based within Great Britain, the Channel Islands and the Isle of Man.

Who is the product not appropriate for?

- Non-Commercial customers.
 - Customers who do not have a private hire insurance policy with SEIB.
-

What are the mandatory product features that will meet the needs, characteristics, and goals of the target market?

This product can provide the following covers, up to agreed specified limits:

- Public liability

Does the product include optional covers?

This product provides the following optional covers, up to agreed specified limits:

- Employers' Liability

How should this product be distributed?

This product should be sold with the active assistance and guidance of an Insurance Intermediary to select the appropriate level of cover. This product should not be sold directly to customers without this assistance.

What should distributors do to ensure the product provides fair value to the end customer?

To ensure the customer receives fair value for this product, care must be taken to ensure no duplicate cover exists or is caused by an add-on where that cover is already provided by the policy. Commission, fees, or charges passed onto the customer must be proportionate to the service provided and provide fair value. The distributors should ensure that the sums insured are adequate for the risk insured.

Additional Product Literature

This document is to be read in conjunction with the appropriate policy wording and policy summary.

Further information about the Product Review and Fair Value Assessment

When completing our Product Reviews and Fair Value Assessments we have reviewed and assessed information provided by you as our co-manufacturer partner, together with the data we hold about this product, and also information on our own standard AXA product where appropriate and relevant to assessing value to end customers.

Where indicators and measures were outside AXA Commercial's tolerance, we investigated these to ensure that the product continues to remain suitable for the target market, delivers value for customers and operates in line with customer expectations. Details of any key actions taken can be found below.

Review / Assessment Area	Key Indicators and Measures	Summary outputs and actions
<p>Product Performance</p>	<ul style="list-style-type: none"> • Target Market review • Customer vulnerability considerations • Loss ratio • COR Performance • Cancellations • Claims ratio • Complaints root causes 	<ul style="list-style-type: none"> • Target Market Review – we reviewed information we hold based on regular interactions with you about this product. • Loss Ratio information has been used in this review.
