

We are very sorry to hear of the recent circumstances that you have reported to us. Our aim is to deal with your claim as speedily, efficiently and as fairly as possible.

To help us help you it is important that you read the notes below and complete and return the relevant sections of these forms as soon as possible.

IMPORTANT NOTES

1. Section 1 and Section 2 must be completed signed and returned immediately – do not wait for Section 3 to be completed by your Veterinary Surgeon or for any treatment to be completed.
2. Section 3 must be detached and sent to your Veterinary Surgeon for completion and immediate return to our claims team quoting any reference you may have been given by us. Any Veterinary Report has to be completed at your expense.
3. Please send to us any invoices detailing the costs of treatment as soon as you receive them. Invoices should be fully itemized, including a VAT breakdown and registration number if applicable and be supplied via the policyholder. Invoices supplied direct from the Veterinary Practice or practitioner may be forwarded to the policyholder for agreement prior to assessment within the claim. All accepted claims for treatment will be settled directly by us at our discretion, to your Veterinary Surgeons or other practitioner if agreed, unless you instruct us otherwise. You are responsible for payment of any excess that is applicable and for any other amount for which the insurer has not accepted liability.
4. The cost of preventative medicine (e.g. inoculations/teeth rasping) is not covered.
5. Credit charges, interest or fees for the completion of reports are not covered. Some policies do not cover charges for keep, livery and transport; please see your policy wording or check with us to see if these may be included in your claim.
6. Any discounts given will be deducted from settlements whether or not any time limit for such discounts has expired.
7. Diagnosis by full body Scintigraphy (bone scan) may not be covered unless we have given our prior written consent. Please check your Policy Document or contact us for guidance.
8. Euthanasia requires our prior consent, unless in an emergency and necessary on humane grounds.
9. Please refer to your policy documents for full details of the cover provided.
10. Claim settlement is subject to the premium being paid in full. We reserve the right to deduct any premium or charges you owe us from any claim payment.

Exchange of Information

To prevent fraud and for statistical purposes, information may be recorded and contained on an industry database shared by other insurance companies. We may check any answers that you give against this database or with other insurance companies.
