

# Co-manufacturer Fair Value Assessment outcome

## SEIB Insurance Brokers (SEIB) Horsebox Standard & Horsebox Freedom Scheme Motor Fleet Product

**Includes AXA Commercial Product Target Market Statement**

AXA Commercial has undertaken a Product Review and Fair Value Assessment as the co-manufacturer of this product, in accordance with both our obligations under PROD 4.2 and the co-manufacturer contract with SEIB.

<b>Date of most recent Product Review and Fair Value Assessment</b>	<b>August 2023</b>
<b>Date of next Product Review and Fair Value Assessment to be completed by</b>	<b>Within the next 12 months*</b>

*\*We continuously monitor our products and apply a risk-based approach to our product governance; the next review and assessment may take place before this date and this document updated accordingly.*

### Outcome of the Product Review and Fair Value Assessment

As a result of the product governance activities undertaken across this product we can confirm:

- 1.The product remains consistent with the needs of the identified target market**
- 2.The product remains consistent with the fair value assessment**
- 3.The intended distribution strategy remains appropriate**

---

#### Product Description

This is a motor insurance product designed to cover single vehicle risks for customers, using motorised horseboxes to transport horses and ponies for leisure purposes.

This product is only available through SEIB.

---

#### Product Type

This is a personal lines general insurance product which is suitable for consumers

---

#### Product Status

This product is open to new and renewal business.

---

#### Who is the product designed for?

Consumers based within Great Britain, the Channel Islands and the Isle of Man.

---

#### Who is the product not appropriate for?

Commercial customers, consumers looking for insurance that isn't equestrian transport, and businesses with fleets of the following types:

---

- 
- Self-drive hire
  - Hazardous waste transportation
  - High performance vehicle fleets
- 

**What are the mandatory product features that will meet the needs, characteristics, and goals of the target market?**

This product provides motor cover up to specified limits, providing extensive cover on a comprehensive, third party only or third-party fire and theft basis.

---

**Does the product include optional covers?**

- Protected no claims discount
- 

**How should this product be distributed?**

This product should be sold with the active assistance and guidance of an Insurance Intermediary to select the appropriate level of cover. This product should not be sold directly to customers without this assistance.

---

**What should distributors do to ensure the product provides fair value to the end customer?**

To ensure the customer receives fair value for this product, care must be taken to ensure no duplicate cover exists or is caused by an add-on where that cover is already provided by the policy. Commission, fees, or charges passed onto the customer must be proportionate to the service provided and provide fair value. The distributors should ensure that the sums insured are adequate for the risk insured.

---

**Additional Product Literature**

This document is to be read in conjunction with the appropriate policy wording and insurance product information document.

---

## Further information about the Product Review and Fair Value Assessment

When completing our Product Reviews and Fair Value Assessments we have reviewed and assessed information provided by you as our co-manufacturer partner, together with the data we hold about this product, and also information on our own standard AXA product where appropriate and relevant to assessing value to end customers.

Where indicators and measures were outside AXA Commercial's tolerance, we investigated these to ensure that the product continues to remain suitable for the target market, delivers value for customers and operates in line with customer expectations. Details of any key actions taken can be found below.

Review / Assessment Area	Key Indicators and Measures	Summary outputs and actions
