Insurance Proposal Form

IMPORTANT NOTICE: Where we arrange insurance wholly or mainly for purposes related to your trade, business or profession, you have a duty under The Insurance Act 2015 to make a fair representation of the risk. This means that you must disclose every material circumstance which you and/or your senior management and/or anyone responsible for arranging your insurance know or ought to know. Alternatively, you must disclose sufficient information which would put the insurer on notice that it needs to make further enquiries for the purpose of revealing those material circumstances. You are expected to carry out a reasonable search in order to make a fair representation of the risk and will be deemed to know what should reasonably have been revealed by the search. If any of the questions in this proposal form have been pre-filled please check they are correct and amend where necessary.

Your duty of fair representation applies at the start of the policy, at renewal and when any variation of the policy is arranged. If you fail to make a fair representation, the insurer may refuse to pay your claim or reduce the settlement amount, depending on the circumstances

Please complete all questions in ink using block capitals and ensure you read and sign the declaration on the last page. Thank you.
